# SILHOUETTE

## THE HIGHER PREFORMED HIP & RIDGE

**ACCENTUATE THE NATURAL BEAUTY OF YOUR ROOF WITH HIGH-PROFILE  
SILHOUETTE HIP AND RIDGE.**

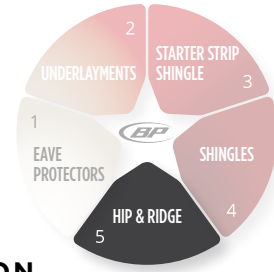

These multi-layered preformed shingles will add tridimensional depth to any roof line. The uniform colour pattern **Silhouette Hip and Ridge** yields even more curb appeal when used in combination with one of our recommended BP Canada laminate shingles.

**Silhouette** is a superior Hip and Ridge manufactured using SBS modified bitumen for increased durability and pliability. It is backed by the same warranty that applies to the shingles or roofing system applied to the roof.
