BP Canada
SAINT-GOBAIN

YOUR CHOICE

PROUDLY CANADIAN... SINCE 1905

For over 120 years, our operations have been 100% Canadian, with production plants located in Alberta and Quebec, and coast-to-coast representation. Not only that, but the vast majority of the raw material we use is also sourced right here, in Canada.

SAINT-GOBAIN

By joining Saint-Gobain, BP Canada gained world-class resources and support—driving significant plant investments. As the national leader in construction materials, Saint-Gobain reinforces our solutions-driven building-envelope expertise. With Canada-wide coverage—more than 15 product categories produced across more than 40 manufacturing sites in Canada—the Group enables faster, cleaner, more resilient outcomes.

QUALITY AND RELIABILITY

At BP Canada, reliability isn't just a promise—it's guaranteed. Our industry-leading warranties, including our standard wind warranty against winds of up to 220 km/h*, protect your investment, ensuring every product meets the highest standards of quality and long-term performance.

On select shingles

INNOVATION

We have been leading innovation since 1905—from launching the first oversized 42" shingle to developing Weather-Tite® Technology, our R&D teams are constantly searching for ways to improve upon our industry.

SUSTAINABILITY

BP Canada champions sustainability by sourcing locally, minimizing waste, and crafting long-lasting building materials—helping Canada build responsibly and protect the environment for years to come.

WHAT YOU GET WHEN YOU BUY BP CANADA SHINGLES...

- Made in Canada
- Engineered for our harsh Canadian weather
- Local representation
- Wind warranty up to 220 km/h thanks to our Weather-Tite® and Weather-Tite® Plus technology
- Best-in-class warranty coverage

BP CANADA OFFERS MANY COLOURS AND OPTIONS TO SATISFY THE NEEDS OF CANADIAN HOMEOWNERS. OUR PRODUCT OFFERING IS FOCUSED TO DELIVER A BEST-BETTER-GOOD APPROACH.

VANGARD *(BEST)*

A HIGH PERFORMANCE shingle that delivers extended impact resistance for the harshest Canadian climates.

- Go-to shingle for maximum all-weather performance and **hail resistance**
- **Weather-Tite® Plus** dual sealant band is your best protection against rain and wind-driven water infiltration while allowing optimal drainage.
- SBS modified asphalt construction offers a UL2218 **Class 4** impact resistance rating
- Limited lifetime warranty
- Available in 5 colours

STANDARD WIND WARRANTY 220 KM/H

IMPACT RESISTANCE RATING UL2218 - CLASS 4

SIGNATURE *(BETTER)*

This PREMIUM SHINGLE is the perfect balance between performance, lifestyle and individuality to satisfy every homeowner's need.

- **Reinforced nailing area** for significantly improved nail pull-through resistance and year-round application
- **Weather-Tite® Plus** dual sealant band is your best protection against rain and wind-driven water infiltration while allowing optimal drainage
- FM **Class 3** impact resistance
- Limited lifetime warranty
- Our Chroma Colour Lab® has developed **10 all-new colours** for Signature, designed to blend seamlessly with today's newest trends in exterior colours and textures.
- **ProFusio™** - unique to BP Canada. By blending various colours of Signature shingles, we created new and highly customized roofing colours.

STANDARD WIND WARRANTY 220 KM/H

IMPACT RESISTANCE RATING FM4473 - CLASS 3

MYSTIQUE *(GOOD)*

Our tried and true LAMINATED SHINGLE features 3-dimensional shadow bands to create a sharp, unique look.

- **42″ wide shingle** for a faster and easier installation (fewer shingles and nails!) but also enhances your roof's performance while delivering savings of up to 13%.
- **Weather-Tite®** dual sealant bands help prevent water infiltration caused by wind-driven rain
- FM **Class 3** impact resistance
- Limited lifetime warranty
- Available in 8 colours

STANDARD WIND WARRANTY 180 KM/H

IMPACT RESISTANCE RATING FM4473 - CLASS 3
